

The Next To Go Odds pag offers comprehensive coverage of the field's win prices, place prices, interstate comparison prices to inductate value bets, pool totals and a graphical indication of the most recent price movement for each runner. The page can handle up to 24 runners by splitting the page into 2 alternating frames when more than 12 runners are present.

### 2nd 3rd & 4th Next to go

The 2nd 3rd & 4th Next to go pages show the same format as the Next To Go page but show the 3 races following the next to jump in the same detail.

This eradicates the need for a screen per meeting in what is an ever-growing list of events punters can bet on.
